

**In the Specification**

Please amend the specification as follows.

Please replace the paragraph beginning on page 26, line 3 with the following amended paragraph:

With regard to the formulation of the core when budesonide is used, for example, the content of the binder is to 40 wt % in the core, the mixing ratio of ~~fluorouracil~~ budesonide and the binder is 1:10 to 1:30, the content of the above-mentioned disintegrating agent is 2 to 15 wt % in the core, the mixing ratio of ~~fluorouracil~~ budesonide and the disintegrating agent is 1:2 to 1:10, and the content of the above-mentioned saccharide is 40 to 80 wt %, thus producing the medicinal preparation for colon delivery of the present invention.
